

COLLEGE PLAYER OFFICIALS ACADEMY

USA Lacrosse and the IWLCA are pleased to offer this program for current and recent college women's lacrosse players.

Experience hands-on training activities and live game action – the first step on your journey to becoming a USA Lacrosse-certified official. Participants will receive both classroom and on-field training, as well as a stater "Official's Kit" with uniform top, whistle, flag and cards.

Upon completion of the clinic, candidates who then complete the rules and penalties online courses, annual exam and professional development course will be certified by USA Lacrosse.
