WHAT ARE SIMULTANEOUS FOULS?
THE MOST CONFUSING RULE

- What the rulebook says
 - Rule 7-6. Art.1... Simultaneous fouls are fouls called on **players of opposing teams** during:
 - a. a live ball; or
 - b. a dead ball when sequence cannot be determined (We apply this when we don't know order)
- Most live-ball simultaneous fouls do not actually occur at the exact same time but occur between two whistles
- SIMULTANEOUS = CONCURRENT

DEAD BALL SIMULTANEOUS FOULS

TECHNICALLY, THEY ARE NOT SIMULTANEOUS

- Enforced in the sequence in which they occur
- These are not simultaneous fouls.
- When sequence cannot be determined:
 - Ex. Equipment violations on both teams
 - Enforce as simultaneous
- Releasing players:
 - Shortest penalty time is non-releasable for all penalties, goal scored during NR time does not release penalties.
 - Goal scored after NR time is up releases all remaining penalties

PENALTY TIME AND RESTARTS
BASIC POINTS TO REMEMBER

- Players who start together, stay together, for the shortest of the two penalty times.
- Both players penalty time is Non-releasable for the shorter penalties to be served.
- Team with the shorter penalty time will restart with the ball.
- When penalty times are equal then the team entitled to the ball will start in the same relative position on the field.
- If neither team had possession, then the alternate possession rule will determine the team to restart with the ball.
- When penalty time is equal, remember that "Play on" or "Flag down" denotes possession in the subsequent award of the ball after simultaneous fouls are enforced.

LOOSE BALL SIMULTANEOUS FOULS

THESE TAKE PRACTICE

- B1 on defense commits a loose ball technical foul (Push) followed by a technical foul by A1.**
 - The foul by A1 on offense ends the play and since the ball was loose A1 restarts with possession.
 - The technical fouls cancel.
- B1 on defense commits a loose ball technical foul followed by A1 committing a personal foul while on offense.**
 - Both teams have a player serving penalties.
 - B1 serves 30 seconds and A1 serves a minute.
 - B1 is entitled to the restart since they have less penalty time, and the ball will restart in the same relative possession on the field (LEAVE IT concept).
- B1 illegal body checks A1 (flag down) who does not lose possession of the ball however A1 turns around and emphatically throws the ball attempting to hit B1 with the throw (second flag and immediate whistle).**
 - Both players serve one-minute non-releasable penalties.
 - Ball awarded according to alternate possession since it was loose at the time of the flag.
